

## THAILAND'S INVESTOR ADDS \$353M TO EXPAN BUSINESS IN VIETNAM

### Real estate groups clamour for integrated digitalisation revamp

[VIR](#)

Lack of transparency and synchronous storage processes in market information systems and regulations on data transmission are significant challenges for the digital transformation of the real estate industry. Since 2020, many real estate businesses have invested in online transactions sites, applying cross-platform technologies into their business.

### Answers arrive to salvage construction

[VIR](#)

Suspension of many construction site activities disrupted by supply chain woes, skyrocketing material prices, and serious shortage of labour is posing great challenges for contractors. Earlier this month, a handful of domestic construction contractors proposed to VACC and the government to address their problems.

### Hà Nội to renovate degraded apartment blocks by 2025

[Vietnamnews](#)

Dangerous and degraded residential apartment blocks in Hà Nội will be renovated by 2025. The plan is part of a project on renovation and reconstruction of old apartment buildings in Hà Nội, which was endorsed by the Hà Nội People's Council on Thursday.

### Land clearance a chronic bottleneck in Vietnam

[Vnexpress](#)

Industrial park investors have highlighted tardy land clearance as a persistent problem in Vietnam. Vu Thu Hang, head of sales with TNI Holdings Vietnam, enumerated several problems with land clearance at a recent webinar on "Identifying new trends in industrial park development."

### Thailand's investor adds \$353 mln to expand its business in Vietnam

[Vietnaminsider](#)

Thailand's SCG Packaging Pcl (SCGP) on Monday announced an \$353.93 million expansion in its packaging paper business in Vietnam, anticipating growth in demand. A new facility will be built in Vinh Phuc province in northern Vietnam, to begin operations in early 2024, which will raise total production capacity to 870,000 tonnes of packaging paper per year, up from 500,000, Reuters cited the statement from SCGP .

**Vietnam may attract 30 billion USD in FDI this year: experts**

"Vietnam may attract about USD 30 billion in FDI in 2021, posting a year-on-year rise of 2%, economists forecast, pointing to positive signs in FDI attraction in the first eight months of 2021 despite the complexities of COVID-19."
